BRIGGS & STRATTON

206 Cup

GRAND CHAMPIONSHIP

Registration Information

To celebrate our inaugural Grand Championship; all pit passes and "early bird" pre-entry race fees will be identical to that of our Divisional Series!

To ensure the most level playing field possible, you must purchase a new set of VEGA VAH tires at the Grand Championship. All tires for the Grands will come from the same batch, and will be specially marked.

VEGA will be at the track selling tires at a deeply discounted price for this event.

Your first set of tires will be added to your registration fee automatically. Additional sets may be purchased at the same discounted rate.

Schedule

Thursday
Load-in Day

Friday
Open Practice

Saturday
3 Rounds of Practice
Qualifying
2 Heat Races
Feature Race

Sunday
1 Round of Practice
Qualifying
2 Heat Races
Feature Race

Trophies will be awarded to the top 3 each race day after races.

Everybody is welcome to join us Saturday evening after races for some great BBQ prepared for us by DR Kart Midwest's Robert Bromberek, whom is an award winning competition chef. During dinner, we'll have a short awards ceremony to acknowledge our 2017 Divisional Championship winners.

There will also door prizes given away at the awards ceremony for drivers that followed the entire series, as well as those that only joined us for the Grand Finals.

After Sunday's races are completed, we will have a second awards ceremony featuring an Ice Cream Bar provided by our friends at Comet Kart Sales. This ceremony will be where we name all of our 2017 Briggs and Stratton 206 Cup Grand Champions.

Even more door prizes will be distributed at the Sunday awards ceremony, and we hope that everybody will attend.

The Senior Medium Challenge

With the addition of the CIK Medium Class to the Grand Finals, we will also be awarding a special prize to the highest combined points earner who competes in both Senior Medium Classes throughout the weekend! More details to be announced.
